

RoHS DECLARATION OF CONFORMITY

Loval Oy
Linnunrata 4,
FIN-07900 Loviisa
Finland

Field of application: Loval Oy products, components and materials

We hereby confirm that the products manufactured and supplied by Loval Oy meet the requirements of **RoHS 2 & 3 Directives**. The content of harmful substances, presented in the table below, does not exceed the maximum allowed contents as per **2011/65/EU and EU 2015/863**, measured from homogenous material. The RoHS directive is regularly reviewed by Loval Oy to ensure the compliance with the Directive. Should any changes in the Directive affect our Customer, Loval Oy shall inform the customer of these changes.

Substance	Maximum content
Cadmium (Cd)	0,01 %
Lead (Pb)*	0,1 %
Mercury (Hg)	0,1 %
Hexavalent Chromium (Cr VI)	0,1 %
Polybrominated Biphenyls (PBB)	0,1 %
Polybrominated Diphenyl Ethers (PBDE)	0,1 %
Bis(2-Ethylhexyl) phthalate (DEHP)	0,1 %
Benzyl butyl phthalate (BBP)	0,1 %
Dibutyl phthalate (DBP)	0,1 %
Diisobutyl phthalate (DIBP)	0,1 %

*Exemptions: Brass parts in Loval Oy products may have a lead content of up to 4%, as allowed in Annex III, exemption 6(c). Up to 0.35% lead content in steel alloys for machining purposes (free cutting steel), exemption 6(a).
